

Bradley and University of Illinois Scholarships

1) CI-ASHRAE offers (2) scholarships for local students - (1) Chuck Henricksen - Bradley University and (1) University of Illinois. These scholarships can be applied to tuition and sophomores through graduate students can apply. For each scholarship, a \$1,500* for first place, \$1,000* for second and \$500* for third, monetary award is offered.

2) These scholarships are awarded in September. Application details will be posted on the website each year, around the beginning of the first semester. Typically, a resume and an essay is required. Past essay topics have included:

- 1) How do you see yourself influencing the HVAC industry after Graduation?
- 2) In your eyes describe Sustainability and how you will affect it. Why do you feel it is important to be “green”?
- 3) What major changes do you see taking place in our industry over the next 15 years?
- 4) Explain why and how Preventative Maintenance (PM) is value added?
- 5) How did you become interested in HVAC? Describe your career goals and how you will impact the present and future processes of the industry?

3) Award recipients are invited to attend, and be recognized at, the annual CI-ASHRAE Golf Outing. This outing is hosted by the chapter every year and raises funds for the scholarships. Food is provided and this is a great networking opportunity!

4) Our 2015-2016 award winners were:
